Wat will a wire rack offer you?

- Effective growth of the crop (no stagnation due to the wind blowing pots over)
- Preventing damage to the crop due to dehydration
- Saving money on labour cost, since the crop remains upright
- Preventing damage from burning leaves on the ground cover
- Now everyone will be able to position the crops in the growing area
- The desired grid can be created much faster
- Save time by moving the crops using a forklift
- A clean and well taken care of nursery; the calling card of your company
