

# Garden City Plastics

FAMILY OWNED & OPERATED SINCE 1975

## ReduSol<sup>®</sup> & ReduClean<sup>®</sup>

**Redusol – A Practical & Versatile Shading agent**

- Provides up to 80% shading: depending on the climate, both light-preferring and shade-preferring crops can benefit from a coating of ReduSol
- Suitable for glass, acrylate, polycarbonate and plastic film
- Wear and frost resistant
- Higher light transmission during rainfall
- Flexible in use, easily combined with other ReduSystems products

*Easy to remove with ReduClean*

Product code: REDUCLEAN25  
Size: 25 L
